## **KFC/Taco Bell**

KFC/Taco Bell in Fort Atkinson has provided various work experiences for our consumers throughout the past two years. During the 2008-09 school year, the management at KFC/Taco Bell employed a transition student for lobby duties. Another 2 individuals were hired in August and November, to assist in keeping the restaurant clean and welcoming. KFC/Taco Bell has also offered several consumers work experiences on the line, learning to make tacos and other fast food items. It was an exciting opportunity for all!

The ongoing relationship with KFC/Taco Bell is greatly appreciated by all at Opportunities, Inc., and we look for this relationship to continue into the future as well!
