Kestrel Ridge Hires Consumer

Kestrel Ridge Golf Course allowed an Opportunities, Inc. consumer to participate in a recent work experience. Allen L. was assigned to a Kitchen/Club assistant position at the golf course, which provided him with job duties that were perfect for his needs. He completed a three month work experience and was hired on to become an employee of Kestrel Ridge! Lori Marcks, the general manager at Kestrel Ridge, expressed how pleasing it is to have Allen as an employee. She said, "Allen is an asset to our company as the members of the club enjoy seeing Allen and have received good responses from the members about Allen."
