**You Give. People Work.**

Dear Friends,

From our grassroots foundation in 1966 through today; the mission has always been about advancing **PEOPLE**.

It's all about the **PEOPLE** we serve. **PEOPLE** with physical, mental health and developmental challenges; **PEOPLE** who have had trouble with the law, **PEOPLE** who speak English as a second language, **PEOPLE** who served in our military, **PEOPLE** who have been dislocated from their jobs, their homes, their countries, and don't forget our young **PEOPLE** who just finished college, looking for someone to give them a chance; we are here to serve them all. We are here to give them an opportunity to succeed!

Your financial generosity contributes to the gifts of **purpose**, **hope** and **dignity** received by hundreds of **PEOPLE** through Opportunities, Incorporated's social initiatives called OI WORKS and the Vocational Scholarship. Together, these privately funded programs offer a stepping stone, a second chance, and a new path to employment success for fellow community members.

On behalf of the Opportunities, Incorporated Board of Directors and its dedicated team, thank you for supporting the OI WORKS and Vocational Scholarship.

We have enclosed a donor card and prepaid envelope for your convenience. Remember that every donation, regardless of size, makes a difference.

In Service,  
Barbara LeDuc, President/CEO

## Give **PURPOSE**

Your gift will give purpose to **DAVID** by building a foundational work history!

"Three and half years ago, I started here and would ride my bike or walk from the next town over. It was rough for awhile. I used to have a lot of anger problems, but I don't any more. I've learned to be more professional and Opportunities, Inc. has helped me get my own apartment nearby."

David

## Give **HOPE**

Your gift will give hope to **SAM** by finding a competitive job!

"Opportunities, Inc. has made a difference in my life by helping me with job training and job coaching. I am now settled in and have been at my current employer for over a year. I like having a job just like everyone else and it gives me something to do."

Sam

## Give **DIGNITY**

Your gift will give dignity to **EMILY** by providing job coaching and support!

"I enjoy my job at the grocery store and my job coach. She is so funny. I put items in a bag for customers. It's like a puzzle. I love my job!"

Emily
